

## TRANSFORMING TUESDAYS UPDATE

Some of you may be aware that there are a few men in the church who give many of their Tuesdays to helping with the rehab and improvement of one of the houses that **Centered Around Christ** (Homeless and Transitional housing ministry) uses for ministry. Below you will read more about the ministry going on there and at other locations.

### Transitional Housing Updates.

CAC has established a beautiful partnership with Wheeler Recovery Programs. They have a very thorough substance addition recovery program. The clients average 12-18 months in the recovery program, and when they graduate their next step is to our Transitional Housing as they continue rebuilding their lives.

We have established a detailed contract agreement with Wheeler Recovery Division. This was

6. Following that is spruce-up and repair at 63 North Sherman (across the street from 54-56); this will house 7. Our Sugar Grove home will be the first location for the roll out for men from the recovery program, housing 7 (after the plumbing repairs and cosmetics are completed).

How many Methodists does it take to calculate an angle?

(l-r: Bob Ford, Alex Fyffe, Grady Chism, Ralph Armstrong)

rolled out at 56 N Sherman for women (this residence is a duplex with the addresses of 54 and 56 North Sherman). A house mom and several women have been living there for some time now; this address houses 5. Next project is to finish renovations at 54 and this will house

I want to invite anyone who can find time on Tuesdays to come and be a part of an honest to goodness hands on ministry of helping these individuals in the name of Jesus Christ by readying the very needed transitional housing in their process of personal/spiritual restoration. Contact Dan at; 789-2218 If you can come other days please call Andy Hoffman at 450-0961
